*Enjoy the magical feeling of new  
love all over again!*

Spend time together with the one you love in romantic Muskoka! Enjoy the ambiance of a cozy fire, a candlelit dinner and wake up to a sweetheart breakfast.

Your 2 day package begins on arrival with appetizers and refreshments as you unwind after a hectic work week. Enjoy the comfort of a great Sleigh bed and awaken to the aroma of freshly brewed coffee and a breakfast fit for a king.

Spend your day as you like by skiing, hiking, tubing or just lazing around in your suite and reflecting on your love for each other. How about a "couples" massage? We can arrange it for your right here at Muskoka Mist.

That evening you are treated to a gourmet candlelit dinner served by your hosts Marlene & Rick.
